

Recommended Pre-Departure Test Timing

Travellers who present themselves at the clinic less than 38 hours before the scheduled flight will not receive their test results on time. Based on this, the latest which a traveller must be swabbed is as follows:

Flight departure Time on Day of Departure	Earliest test time	Last Test Time
12:00am to 9:29am	Depends on requirement of destination country, please check with the authorities of the destination country. Typical requirement is 48-72 hours before departure time.	10.00am two calendar days before flight
9:30am to 3:29pm		4:00pm two calendar days before flight
3.30pm to 11.59pm		10:00am the day before flight

Example:

Departure Date and Time	30 September, 12pm
PDT Requirement by Destination Country	PDT within 72 hours of departure
Earliest Test Time	27 September, 12pm
Last Test Time	28 September, 4pm
